

Curriculum Vitae

Yoonjung Yi, Ph.D.

Assistant professor, Ewha W. University, Republic of Korea

E-mail: yi.yoonjung@gmail.com

<https://www.researchgate.net/profile/Yoonjung-Yi>

<https://twitter.com/YoonjungYi>

Biographical Data

- Date of Birth: 11 August 1989
- Place of Birth: Seoul, Republic of Korea

Working Experience

Mar 2025 – present	Assistant professor , Ewha W. University, Republic of Korea
June 2024 – Feb 2025	Newton International Fellow , Animal Behaviour and Sensory Ecology, School of Biological Sciences, University of Bristol, UK
Nov 2023 – June 2024	Post-doctoral research associate , Animal Behaviour and Sensory Ecology, School of Biological Sciences, University of Bristol, UK
Apr 2023 – Oct 2023	Associate Professor , College of biology and the environment, Nanjing Forestry University, China
Apr 2020 – Mar 2023	Post-doctoral researcher , Laboratory of Animal Behaviour and Conservation, College of biology and the environment, Nanjing Forestry University, China

Education

March 2013 – February 2020	Combined Master's and Ph.D. degree of EcoScience at the Laboratory of Behavioural Ecology, Ewha Womans University, Republic of Korea. Ph.D. Thesis title: Intra-group and inter-group social interactions in a pair-living primate, the Javan gibbon (<i>Hylobates moloch</i>).
March 2008 – February 2013	Bachelor's degree of Psychology at Ewha Womans University, Republic of Korea

Academic achievement (* denotes correspondence, ¹ denotes co-first authorship)

30. Lee, S., Oktaviani, R., **Yi, Y.*** Choi, A., Mardiasuti, A., & Choe J. C. (2025). [Developmental Changes in Feeding Behavior and Maternal Influences in Wild Javan Gibbons \(*Hylobates moloch*\)](#). *Int J Primatol.* <https://doi.org/10.1007/s10764-025-00493-3>

In prep

1. **Yi, Y.***, Huang, Y., Ruan, H. & Borzee, A., The effects of pollinator species richness and abundance on the foraging behaviours of *Apis cerana* and *A. mellifera*.
2. **Yi, Y.**, Jang, Y., Choe, J.C., Shekelle, M. Discriminating acoustic forms in two tarsier species (*Tarsius spectrumgurskyae* and *T. supriatnai*) from the northern peninsula of Sulawesi.
3. Kang, D., Kim, S., Ham, S., Ko, E., Oktaviani, R., Jang, H., Choi, A., Lee, S., Mardiasuti, A., Choe, J. C & **Yi, Y.***. The effect of reproductive status on diet composition and activity budgets in Javan gibbons (*Hylobates moloch*).

Research Experience

Apr 2022 – present **Principal Investigator.** The cognitive abilities of salamanders (*Hynobius* sp.): quantity discrimination, colour preference, and personality. *Nanjing, China*

Curriculum Vitae

Sep 2021 – present	Principal Investigator. The group movement and function of grooming in the Francois's langurs (<i>Trachypithecus francoisi</i>). Guizhou, China
May – June 2021	Principal Investigator. The effects of pollinator species richness and abundance on the foraging behaviours of <i>Apis cerana</i> and <i>A. mellifera</i> . Nanjing, China
Feb – April 2019, 2021	Principal Investigator. The preference of seagulls (<i>Larus</i> sp.) on lamp posts on the bridges in Han River. Seoul, Korea
Sep – Oct 2018	Research assistant. Visitor effects on captive gibbons in National Institute of Ecology. Seochon, Korea
May – Sep 2018	Visiting researcher. Inter-group encounters in Javan gibbons (<i>Hylobates moloch</i>) in German Primate Center, Göttingen, Germany
Sep 2016 – Sep 2017	Research assistant. Population estimates and modelling for the Asian Black Bear (<i>Ursus thibetanus</i>). Jiri Mountain National Park, Korea
Oct 2014 – Jul 2016	Principal Investigator. Intra-group interaction of the Javan gibbon (<i>Hylobates moloch</i>): conflict and trade of between efforts. Java, Indonesia
Jul 2014	Teaching assistant. Field method class. Ecology, Evolution and Conservation in tropical area. Sulawesi, Indonesia
Jan – Feb 2014	Principal Investigator. Geographical variation in duet vocalization of northern east Sulawesi tarsiers (<i>Tarsius tarsier</i>). Sulawesi, Indonesia
Sep – Oct 2013	Research assistant. (Thesis research of Yena Kim, Kyoto University, Japan) Prosocial behaviour in orangutans. Seoul zoo, Korea
Jul – Aug 2013	Research assistant. (Thesis research of Haneul Jang, Ewha Womans University, Korea) Preferred species and visiting behaviour of Javan gibbons (<i>Hylobates moloch</i>). Java, Indonesia

Teaching experience

- **Environment and Human** (56 hours). 2025 spring semester for undergraduate students, Ewha W. University
- **Advanced EcoScience** (56 hours). 2025 spring semester for graduate students, Ewha W. University.
- **Biostatistics** (40 hours), 2021 fall semester for graduate students, Nanjing Forestry University, China.
- **Biostatistics** (40 hours), 2020 fall semester for graduate students, Nanjing Forestry University, China.
- **Behavior of animals**, Teaching substitute, 2018 & 2019 for undergraduate students, Ewha Woman's university, Republic of Korea.

Curriculum Vitae

Supervision

- Ahyun Choi (Ph.D. candidate, 2020 – present), Saein Lee (Ph.D. candidate, 2020 – 2023), Dana Kang (Master's degree, 2020 – present) from Ewha Womans University, Republic of Korea
- Godfred Bempah (Ph.D candidate, 2020 – 2022) from Nanjing Forestry University, China

Awards

- **Best Graduate Student Award**, Ministry of Education, Republic of Korea. 4 January 2021.
- **Best Thesis Award**, Ewha Womans University. 24 February 2020. PhD thesis: Intra-group and inter-group social interactions in a pair-living primate, the Javan gibbon (*Hylobates moloch*).

Grants

Research

- 2022 The Bioacoustics Equipment and Mentorship program from Cornell University. Co-I. £800
- 2021 Young Scientist Grant from National Natural Science Foundation of China (QN2021014010L). PI. CNY 200,000 = £24,200
- 2021 Post-doctoral Research Grant from National Research Foundation of Korea (2021R1A6A3A03039709). PI. KRW 40,000,000 = £25,520
- 2021 Research Grant from Department of Human Resources and Social Security of Jiangsu Province (2021K310C). PI. CNY 20,000 = £2,420
- 2021 Research Grant from Department of Human Resources and Social Security of Jiangsu Province (2021K310C). PI. CNY 20,000 = £2,420
- 2018 Research Grant - Short-Term Grant from German Academic Exchange Service. PI. EUR 7,800 = £7,000
- 2013 Research Grant from Korean Association of University Women. PI. KRW 1,000,000 = £640

Conference

- 2020 Travel Grant for the 9th World Congress of Herpetology, Dunedin, New Zealand
- 2019 Travel Grant for the 8th European Federation of Primatology meeting & Primate Society of Great Britain, Oxford, UK

Professional services

Professional reviews: Proceedings of the Royal Society B: Biological Sciences, Annals of the New York Academy of Sciences, Animal Behaviour, International Journal of Primatology, American Journal of Primatology, Animal, Amphibia-Reptilia, Tropical Conservation Science, Land, Remote Sensing

Talks and Posters

Curriculum Vitae

Contributed presentation

- **Yi. Y.**, Mardiasuti, A., & Choe. J.C. (May 2023). Having fun is important: social play in wild Javan gibbons.
The Spring 2023 Primate Society of Great Britain Meeting, Cambridge, UK
- **Yi. Y.**, Mardiasuti, A., & Choe. J.C. (Nov 2022). How to be a good partner and father? A role of adult males in parental care and pair-bond maintenance in Javan gibbons.
The 8th Asian Primate Symposium, Hanoi, Vietnam
- **Yi Y.**, Choi A., Lee S., Ham S., Jang H., Oktaviani R., Mardiasuti A., Choe J.C. (Aug 2022). Transient co-singing of offspring and mothers in non-duetting Javan gibbons (*Hylobates moloch*).
The 44th American Society of Primatology Congress, Denver, USA
- **Yi. Y.**, Mardiasuti, A., & Choe, J.C. (Jan 2022). Family dynamics: intra-group social interactions in a pair-living primate, the Javan gibbon (*Hylobates moloch*)
The 28th International Primatological Society Congress, Online
- Choi, A., **Yi. Y.**, Choe, J.C., & Mardiasuti, A. (Jan 2022). Development and social dynamics regarding intra-group competitions in wild Javan gibbons (*Hylobates moloch*)
The 28th International Primatological Society Congress, Online
- **Yi. Y.**, Choi, A., Oktaviani, R., Lee, S., Jo, H., & Choe, J.C. (Apr 2021). Javan gibbons select their sleeping trees to avoid predation not because of intraspecific competition based on long-term data.
The 90th Annual Meeting of the American Association of Physical Anthropologists, Online
- **Yi. Y.**, Borzée, A., Purevdorj, Z., Messenger, K., Maslova, I., & Jang, Y. (Jan 2020). Hide or escape? Variations in escape behaviour of three North East Asian anurans.
The 9th World Congress of Herpetology, Dunedin, New Zealand
- **Yi. Y.**, Fichtel, C., Kim, E., & Choe, J. C. (Sep 2019). The consequences of inter-group encounters on intra-group behaviors in Javan gibbons (*Hylobates moloch*).
The 8th European Federation of Primatology meeting & Primate Society of Great Britain, Oxford, UK
- **Yi. Y.**, Fichtel, C., Kim, E., & Choe, J. C. (Aug 2019). Impacts of inter-group encounters on intragroup behavioural changes in a territorial, pair-living primate, the Javan gibbon (*Hylobates moloch*).
Association for the Study of Animal Behaviour summer conference 2019, Konstanz, Germany
- Lee, S., Ryu, H., **Yi. Y.**, Jang, S., Gye, H., Lee, B., Choe, J. C. (Jun 2019). Visitor effect and the impact of isolation on the behavior of yellow-cheek gibbon (*Nomascus gabriellae*) and white-handed gibbon (*Hylobates lar*) in captivity.
The 14th International Conference on Environmental Enrichment, Kyoto, Japan
- **Yi. Y.**, Fichtel, C., Ham, S., Jang, H., Kim, Y. & Choe J.C. (Feb 2019). Participation in and outcome of inter-group encounters in a pair-living and territorial ape, the Javan gibbon (*Hylobates moloch*).
The 16th Conference of the Gesellschaft für Primatologie. Goettingen, Germany
- **Yi. Y.**, Kim, Y. & Choe, J. C. (Aug 2018). Infants obtain information on diets through food transfer from mothers in Javan gibbons (*Hylobates moloch*).
The 27th International Primatological Society Congress. Nairobi, Kenya.

Curriculum Vitae

- **Yi, Y.** Kim, E., Choi, A., Oktaviani, R., & Choe, J. C. (Aug 2018). Impacts of inter-group interactions on home range use in a territorial primate (*Hylobates moloch*).
The 27th International Primatological Society Congress. Nairobi, Kenya.
- **Yi, Y.** Kim, E., Choi, A., Oktaviani, R., and Choe J. C. (Sep 2017). Home range use in territorial primates: focusing on inter-group interaction and sleeping sites.
The International Society for Ecological Modelling Global conference 2017. Jeju, Republic of Korea.
- **Yi, Y.** & Choe JC. (Jul 2016). Food solicitation in Javan gibbons principally relates to learning diet.
The 16th congress of the International Society for Behavioral Ecology. Exeter, UK.
- **Yi, Y.** (Apr 2016). Javan Gibbon Research & Conservation project.
The 1st Korea-Indonesia Biodiversity Workshop. Bogor, Indonesia.
- **Yi, Y.** Ham, S., Jang, H., Kim. Y. & Choe JC. (Aug 2015). What happens at the border: Inter-group interaction in the Javan gibbon (*Hylobates moloch*)?
The 34th International Ethological Conference. Cairns, Australia.
- **Yi, Y.** Shekelle, M., Jang, Y. & Choe JC. (Aug 2014). Is social monogamy primitive or derived in tarsiidae? Haplorhini? Primates? Inferences from duetting behavior.
25th International Primatological Society Congress. Hanoi, Vietnam.
- **Yi, Y.** & Shekelle, M. (May 2014). Biogeographical Variance of duet form of Sulawesi tarsier (*Tarsius sp.*).
Primate Research Institute, Kyoto, Japan.

Poster presentation

- **Yi, Y.** Arbon, J., Moris-Drake, A., Kern, J. & Radford, A. N. (Jul 2024). Competitive Bidding Affects the Provision of Cooperative Behaviour in Dwarf Mongooses.
European Conference on Behavioural Biology, Zurich, Switzerland
- **Yi, Y.**, Huang, Y., Ruan, H., & Borzée A. (July 2021). The effects of pollinator species richness and abundance on the foraging behaviors of *Apis cerana* and *A. mellifera*.
The 9th International Congress of the East Asian Federation of Ecological Societies. Hohhot, China.
- Schreier, A., Rebarcheck, G., Maddigan, E., Green, K., Joseph, S., **Yi, Y.**, Lee, S., Gye, H., Lee, B. K., Choe, J. C. & Moresco, A. (Apr 2021) Mixed-species pairs as a management strategy for gibbons and siamangs: a behavioral comparison of mixed-species and same-species pairs.
The 90th Annual Meeting of the American Association of Physical Anthropologists, Online
- Bae, Y., Kong, S., **Yi, Y.**, Borzée, A. & Jang, Y. (Sep 2017). Predation by loaches (*Misgurnus sp.*) as a new threat to *Hynobius* salamander eggs in agricultural wetlands.
The International Society for Ecological Modelling Global Conference 2017. Jeju, Republic of Korea.
- **Yi, Y.**, Kim, Y., and Choe, JC. (Aug 2017). Food solicitation in Javan gibbons principally relates to learning about diets.
International conference on Southeast Asian Gateway Evolution (SAGE 2017), Bogor, Indonesia.
- **Yi, Y.**, Kim, Y., and Choe, JC. (Aug 2017). Food solicitation in Javan gibbons principally relates to learning about diets. * *Best poster presentation awarded*

Curriculum Vitae

The Korean Association of Biological Sciences. Yongin, Korea.

- **Yi, Y.**, Borzée A. and Choe JC. (July 2017). Science based ecotourism on five tropical arboreal species: encounter rates and related variables.

International Congress for Conservation Biology. Cartagena, Colombia.

- Borzée, A., **Yi, Y.**, Andersen, D., & Jang, Y. (July 2017). Assortative mating in introduced Asian Black Bears (*Ursus thibetanus*) in Korea.

International Congress for Conservation Biology. Cartagena, Colombia.

- **Yi, Y.**, Ham, S., Jang, H., Kim, Y. & Choe, J. C. (Aug 2016). What happens at the border at the border: inter-group interaction of the Javan gibbon (*Hylobates moloch*)?

26th International Primatological Society Congress. Chicago, USA.

- Choe, A., **Yi, Y.**, Oktaviani, R., Kim, Y., and Choe JC. (Aug 2016). Where to Sleep: Characteristics of Sleeping Trees in Wild Javan Gibbons (*Hylobates moloch*).

26th International Primatological Society Congress. Chicago, USA.

- **Yi, Y.**, Shekelle, M., Jang, Y., & Choe, JC. (Mar 2015). Discriminating tarsier acoustic forms from Sulawesi's northern peninsula.

84th Annual Meeting of the American Association of Physical Anthropologists. St. Louis, USA.

Outreach

Research related presentation

- **Yi, Y.** (Nov 2022). Behavioural Ecology of Wild Primates. *Gwacheon Science Centre, Gwacheon, Republic of Korea*
